Respectfully presenting petition for action of Court and for cause as follows:

Mr. Rolak submits to drug testing on a random basis, as a requirement of his bond. On March 02, 2021, the defendant submitted to an unobserved drug test and denied the use of any controlled substances. The defendant's drug screen returned positive for the presence of cocaine. Mr. Rolak's urine sample was sent to the national testing lab for further analysis. The national testing lab confirmed the defendant tested positive for cocaine. Mr. Rolak has refuted the test results, further denying the use of cocaine since his release on bond.

Pretrial Services believes the defendant's positive drug test while on Zero Tolerance, is indicative of an escalating risk of nonappearance as well as danger to the community and recommends that a Bond Review hearing be held to address the violation behavior.

This officer has contacted Assistant United States Attorney, Robert VanWert and Defense Attorney, David R. Cripps, about the aforementioned bond hearing request.

PRAYING THAT THE COURT WILL ORDER a Bond Review Hearing to be held on April 18, 2021 at 11:00 a.m. so that Mr. Rolak may answer as to the above noted violation.

ORDER OF COURT

Considered and ordered this 31st day of March, 2021 and ordered filed and made a part of the records in the above case.
